Dear Honourable members of IPS-TSB

Organising committee of TSPSYCON 2022 takes pleasure to invite you to the 8th Annual Conference of Indian Psychiatric Society - Telangana State Branch, being held at NRI Auditorium KMC, Warangal.

Warangal is a city in the Indian State of Telangana. It is the second largest city in Telangana, Warangal served as the capital of The Kakatiya Dynasty which was established in 1163. The monuments left by the Kakatiyas include fortresses, lakes, temples and stone gateways which, in the present, helped the city to become a popular tourist attraction. The Kakatiya Kala Thoranam was included in the emblem of Telangana by the State government and Warangal is also touted as the cultural capital of Telangana. It is one of the eleven cities in the country to have been chosen for the Heritage City Development and Augmentation Yojana scheme by the Government of India. It was also selected as a smart city in the "fast-track competition", which makes it eligible for additional investment to improve urban infrastructure and industrial opportunities under the Smart Cities Mission. The three urban cities Kazipet, Hanamkonda and Warangal are together known as Warangal Tri-City. The three cities are connected by National Highway 163 (Hyderabad-Bhuvanagiri-Warangal_Bhopalapatnam). The major stations are Kazipet Junction railway Station and Warangal railway Station.)

All the covid 19 relates safety measures as per government notifications in force will be followed during the conference.

Kindly block your dates for the conference and give us inputs and suggestions to make our novel type of conference productive and memorable.
