

NEWS LETTER

FROM THE DESK OF
Hon. Secretary , IPS-TSB

December 2022

Message from
Hon. Secretary

Dr. K. Pavan Kumar

Honourable Members,

Warm greetings.

It's been a great pride and honour to serve IPSTSB as Hon Gen Secretary. I take this moment to thank all the senior members who have been continuous source of inspiration and guidance in this endeavour.

The journey has been satisfying thus far and have achieved some important milestones that we wished for.

IPSTSB constitution has now been approved by IPS and has been ratified at the EOGBM.

Our Editorial team has been doing a great job and as a result our journal has got RIN number and is now indexed in DOAJ. We are in the process of getting indexation from PUBMED and other reputed indices.

As part of monthly webinar series, "**WEBINAR OF THE MONTH**" we have successfully conducted three programmes and few more programmes are scheduled in the coming months.

Our website is also active and is updated from time to time.

I congratulate and thank all the members who have been very active in raising the awareness regarding mental health issues.

(Contd.2)

Message from
President

Dr. V. George Reddy

Dear August members of IPSTSB,

It's great pleasure to connect to you through this news letter. It's a matter of pride that IPS Telangana State Branch has grown considerably over the last 8 years. The fact that we were the Joint second Best branch across all state branches marks the contribution of my predecessors in achieving this feat. For any society to achieve it's objectives, society's strength is the key. Request all the members to encourage your friends and colleagues who are not yet members to join us. We are shortly coming up with membership update and request all to take time out and do your part and help us serve you better in days to come.

It's very heartening to see IPSTSB members contribute in big way to the society by conducting awareness programmes. In the last 6 months, every awareness day was conducted by the members at various places which in itself speaks about their commitment towards the society.

I am happy that our journal is now indexed in DOAJ which would attract more articles to our journal.

I am happy to state that through monthly webinar series, we are strengthening our Treasury also.

All the subcommittees have planned activities and School and College Mental Health Awareness Initiative is already in action. I thank all the office

NEWS LETTER

FROM THE DESK OF
Hon. Secretary , IPS-TSB

December 2022

Message from Hon. Secretary (Contd.)

With the vision of our President, Dr. V. George reddy, School and College Mental Health Awareness programmes have been initiated and have conducted 2 programmes so far.

As you all are aware, that after the demise of our colleague Dr. Tirumal Rao, we could generate a fund of Rs. 12, 35,000/- of which two lakhs cheque was handed over to the family for immediate requirement and remaining Rs 10 lakhs were Fixedly deposited and the bonds were handed over to the family members.

Apart from these activities, IPSTSB has won IPSSZ IPPL cricket tournament held at Thiruvananthapuram , Kerala in October.

I invite your precious suggestions to make our society more vibrant and looking forward for continuous support and cooperation of all the members.

Thanking you, all.
Long live IPS
Long Live IPS TSB

Sincerely yours
Dr. Pavan Kumar K
Hon Secretary

Message from President (Contd.)

bearers Dr. Minhajzafer Nasirabadi, Dr. Pavan Kumar K, Dr. Narayan Rao Kambhampati, Dr. Sai Krishna Puli, Dr. Umashankar M and all the Executive Council Members and Chairpersons of all the Committees for their guidance and cooperation.

Together we can and together we will..

Long Live IPS
Long Live IPS TSB

Sincerely Yours.
Dr. V. George Reddy
President

On the occasion of World Alzheimer's day

IPS TSB WSPD awareness programme at Karimnagar in association with IAPP, KPS AND IMA Karimnagar

INDIAN PSYCHIATRIC SOCIETY
TELANGANA STATE BRANCH

Creating
Awareness
on
WORLD Alzheimer's DAY
21st SEPTEMBER
Know Dementia, Know Alzheimer's

Early identification and timely intervention is the need for Dementia care. In the ageing world DEMENTIA is a major public health concern and we psychiatrists should be in the forefront to raise awareness and create scope for Dementia Management.
